The image shows the front cover of a book. The cover has a textured, slightly mottled appearance. It is decorated with horizontal stripes in three colors: a light blue-grey, a mustard yellow, and a forest green. The stripes are arranged in a repeating pattern. Several 'SK' logos, consisting of the letters 'SK' inside a thin oval border, are placed on the cover. There is one 'SK' logo in the top blue stripe, one in the top green stripe, one in the middle blue stripe, one in the bottom blue stripe, and one in the bottom green stripe. In the center of the cover, on a yellow stripe, is a red shield emblem. The shield has a white cross and a small crown on top. The book is bound in a dark brown cover, visible at the edges.
